Cash Me Out (Cash Hall) set a lifetime mark as he outclosed his rivals to win the Open Trot at Saratoga Casino and Raceway on Sunday afternoon. Jim Devaux piloted the Kyle Spagnola-trained trotter and swung him three wide around the final turn before reeling in track record holder Bourbon Bay (John Cummings Jr) in the final furlong. It was the first win in the \$18,000 Open for Cash Me Out who set a new mark of 1:55.1 on Sunday. Bourbon Bay, who set the track

record two weeks ago with a dazzling 1:53 romp in his local debut, had to settle for second this week while longshot Lucid Thoughts (John Macdonald) earned the show spot. Cash Me Out, who returned \$20.80 to win in his upset score, moved his career earnings to over the \$400,000 mark with his score in the trotting feature. The exacta paid \$92.50 while the triple returned \$741.

Live racing resumes on Thursday with a first post time set for 4:00pm.
