

New York-Sired Horses Shine in Indiana

Devil Child and Tim Tetrick kicked-off the stakes action for the evening in a big kind of way in the \$101,000 USS Indianapolis Memorial Pace for three-year-old pacing fillies. With a final time of 1:50.3, Devil Child scored her second consecutive victory and re-established a seventeen year-old track record at Hoosier Park with the win. The previous mark of 1:50.4 was established by Galleria and George Brennan in 1998.

Trained by Chris Oakes, Devil Child sat patiently along the rail in third through fractions of :26.4, :55.2, and 1:23 before angling out for racing room turning for home. Recording a :27 final quarter, the daughter of [American Ideal](#)-Kattimon coasted to the wire three-lengths in front of the pace-setting Sassa Hanover and Matt Kakaley. Devil Child recorded her sixth seasonal win from 20 outings for owners Susan Oakes and Crawford Farms, LLC.

On the trotting side of the stakes action, Muscle Baby Doll turned in another impressive performance to score her second consecutive victory at Hoosier Park, tonight in the \$140,000 Crossroads of America Stakes for three-year-old trotting fillies. After scoring in a track-record setting time of 1:53.1 in stakes action last week, Muscle Baby Doll dug in gamely late in the lane to hold off Bright Baby Blues to get the win for driver David Miller in 1:54.2.

Owned by F. Bellino & Sons, LLC, the daughter of [Muscle Mass](#)-Have You Ever notched her 10th victory of the season from 14 starts. Muscle Baby Doll has now amassed \$457,720 lifetime.

Crazy Wow posted a slight upset, at 6-1, winning the Erskine over Homicide Hunter and Pinkman.

In the very next division, Crazy Wow and Tim Tetrick pulled the slight 6-1 upset in the \$270,000 Carl Erksine Trot for three-year-old colt and gelding trotters scoring in 1:54. The 2015 Hambletonian winning Pinkman was heavily favored at the betting windows and dictated early fractions of :27.2, :57, and 1:25.3 before succumbing to the long Hoosier Park stretch. Tetrick had Crazy Wow well placed turning for home and the three-year-old colt did the rest.

It was the eighth win of the season for the son of [Crazed](#)-No Pan No Gan who is trained by Ron Burke and also the fourth win of the night for Tetrick. Owned by Our Horse Cents Stable, JT45, J&T Silva Stable and Deo Volente Farms, Crazy Wow has now earned \$905,837 this season.
