

Buffalo Raceway announces purse increase

by Brian J. Mazurek, for Buffalo Raceway

Hamburg, NY --- Effective on Wednesday (April 4), purses will be increased 10 percent at Buffalo Raceway.

"It has been a difficult winter for everyone," said Race Secretary Tom Agosti. "With the cancellation of Friday racing due to a shortage of entries, and the weather related cancellations in January and February, it has given us the opportunity to increase purses in all classes. Hopefully this will have a positive impact on entries as we enter spring race dates."
