**The 2018 Goshen Yearling Sale will be held on Sunday (Sept. 9) at the Mark Ford Training Center in Middletown, N.Y.**

For the past three years, the Goshen Yearling Sale has offered high quality stock from top breeders including Hanover Shoe Farms, Winbak Farm, Blue Chip Farm, Concord Stud, Cameo Hills Farm and Boxwood Farm. The sale has grown each year in both size and popularity and has become a favorite yearling venue for both the buyer and consignor.

"We have an outstanding group of colts being offered this year from our top consignors and overall, expect the entry and sales averages to be up across the board," said Mark Ford. "We are looking forward to a large turnout the second weekend of September and will do our best to make sure this year's sale is a total success."

The sales facility is located at 90 Slaughter Road, Middletown, N.Y., which is within an hour's drive of many major racetracks and training centers in New York, New Jersey and Pennsylvania, making it a very convenient location. It's also only three miles away from the Harness Racing Museum and the Goshen Historic Track, making it easy to visit those historic places during your weekend.

Everything you need to know about the fourth annual Goshen Yearling Sale is now available on their website at [www.goshenyearlingsale.com](http://www.goshenyearlingsale.com) where consignment forms, a catalog request portal and hotel information for local lodging all can be found.
