Monticello, NY — Cash Roll (\$4.30) extended her streak of perfection in her \$26,500 New York Sire Stakes event for 2-year-old pacing fillies on Monday afternoon (June 24) at Monticello Raceway.

Sent off the even-money favorite, Cash Roll and driver Scott Zeron started from post six and cut the mile through splits of :29.2, :59.2 and 1:28.4. She paced her final quarter in :27.4 to cap a 1:56.3 mile, the fastest of the afternoon and her second pari-mutuel win in as many starts. Racine Bell was second, followed by Dragon Blue Tina.

Cash Roll, a [Roll With Joe](#)-Rockonomics filly, is trained by Rich Ringler for owner Louis Palumbo.

In the \$27,000 first division, Hidden Cove (\$2.70, Marcus Miller) was content to sit the pocket behind pacesetter Galleria Gal before making her move to the lead at the three-quarter pole. After opening up three lengths on the pack, she had to out-battle a hard-closing Precious Alexis to win in 1:57.2. The daughter of [American Ideal](#) and Sun N Sand is trained by Erv Miller.

The \$26,500 second division saw 1-5 favorite Turnthefrownaround leave hard when the gate sprung, but she made a break in the middle of the first turn. Meanwhile, American Chance inherited the lead, but Turnthefrownaround regained her composure and got even with the pack to lead at the 1:00.2 half. Eventual winner So Rude (\$12.40, Matt Kakaley) sat in the four-hole until the paddock turn, and eventually tracked down Turnthefrownaround to score in 1:57.3. Scott DiDomenico trains the daughter of [So Surreal](#) and I Am A Snob.

Marcus Miller picked up his second win of the afternoon after driving Bolt Of Beauty (\$2.70) to a 2:00.1 victory in the \$26,500 third split. The [Bolt The Duer](#)-Natural Luck filly threw her left front shoe during the mile, but still paced a :28.2 closing quarter while 3-1/4 lengths better than Roll With Angel and Movie Town. Trainer Erv Miller co-owns Bolt Of Beauty with Tanah Merah Farms.

Spreckles (Corey Callahan, 1:59) and American Dreamgirl (Jordan Stratton, 1:58.2) won their respective \$15,000 Excelsior A races, while the lone \$6,800 Excelsior B split was captured by American Arrow (Mike Simons, 2:01.1).
