**Saratoga Springs, NY** --- On Sunday (Dec. 3), the Saratoga Casino Hotel Foundation, Inc. will be awarding more than \$25,000 to 21 different non-profit organizations. The ceremony will take place at 11:30 a.m. in Fortunes Restaurant at Saratoga Casino Hotel.

The awards are part of the foundation's annual grant awards, which recognize organizations that benefit the residents of Saratoga County. Initiatives that support youth, senior citizens, recreation, arts and community benefit are given priority. Since its inception in 2004, the Saratoga Casino Hotel Foundation has awarded more than \$350,000 to more than 150 non-profit groups in Saratoga County.

The Saratoga Casino Hotel Foundation is jointly funded by Saratoga Casino Hotel and the Saratoga Harness Horseperson's Association. Representatives from the 21 non-profit organizations and the Saratoga County Board of Supervisors will be in attendance for the check presentations. Two of the afternoon's harness races have been named in honor of the grant recipients and the Saratoga County Board of Supervisors. The live racing program starts at 12:15 p.m. The 2017 harness racing program continues through Sunday (Dec. 17).

"Since the Board of Supervisors authorized the establishment of the Saratoga Casino Hotel Foundation it has been a tremendous asset and has made a positive impact on the Saratoga County community," said Ed Kinowski, Chairman of the Board of Supervisors. "The awardees of these grants have done tremendous work for those they serve, and we're happy that the Foundation can help these worthy organizations improve or expand their services. Strong non-profit organizations are important to the foundation of any community."

"We created this foundation in 2004, in conjunction with the Saratoga County Board of Supervisors, with the intention to assist as many local organizations as we possibly could," said Skip Carlson, Vice President of External Affairs. "We're proud to be here, 13 years later, still sticking true to that mission, lending a hand to organizations that don't typically receive this type of funding."
